Hinweis:

Aufgrund der dynamischen (Einwohner-)Entwicklung Berlins in den letzten Jahren und dem auch für die Zukunft zu erwartenden Bevölkerungswachstum wurde eine Anpassung der LOR erforderlich. Die neu abgegrenzten LOR erhielten eine neue Nummerierung, bisher genutzte Nummern wurden nicht vergeben. Im Ergebnis sank die Zahl der Prognoseräume um zwei auf 58, die Zahl der Bezirksregionen stieg um fünf auf 143, ebenso die Zahl der Planungsräume von 448 auf 542. Die Modifikation der LOR wurde am 08.09.2020 durch den Senat beschlossen. Die abgestimmte Änderung der LOR ist ab 01.01.2021 gültig.

Das Adressverzeichnis der lebensweltlich orientierten Räume (LOR) ist für jeden der 12 Berliner Bezirke als PDF erhältlich, gegen Kostenerstattung ist die Adressenliste auch als Exceldatei lieferbar.
